### Acceptance Deposit

Once offered, a place cannot be secured until the School is in receipt of the completed and signed Acceptance Form and cleared deposit.

A deposit is required on joining the School and a top-up element may be required on transfer between the Prep School and the College.

|             | UK <sup>1</sup> | International <sup>2</sup> |

<sup>2</sup> Pupils whose parents reside overseas or do not have settled status or who are not ordinarily resident in the UK

\* At the time of publication (June 2024) VAT was not chargeable on these fees, and all figures quoted are exclusive of VAT. As from 1st January 2025, VAT is now payable and must be added to the quoted fee prices.

Please note that if, for any reason, the acceptance of a place at Brighton College Prep School is cancelled less than one term before entry or if the pupil does not join the School after a place has been accepted, then the higher of one term's fees or the Acceptance Deposit becomes due and immediately payable (if not already paid) and will be retained by the School.

Once accepted, deposits are retained and held over from term to term until the pupil leaves the most senior of the schools they attend. Any balance due will be refunded as a credit (without interest) against the final payment of extras or other sums due. Please note, deposits are not a contribution towards the first, final or any term's tuition fees.

For pupils entering the Senior School, the deposit will only be refunded if a pupil does not pass the required entrance examinations.

### Administration Fee

A non-refundable charge of £90\* is made to cover the immediate administrative costs of entry into the School. This is added to the first term's fee.

## Termly Tuition Fees

Fees are due and payable before 8am on the first day of term. For full details please refer to the Standard Terms and Conditions.

As from 1st January 2025, VAT is now payable and must be added to the quoted fee prices, although the College is making transitional price support for the current academic year available to payers whose tuition/boarding fees are subject to VAT. The combined effect of the College's price support and the imposition of VAT means that parents will see a 10% increase for the remainder of the academic year from January 2025 for tuition/boarding fees. Please contact the Bursar's office for further information.
